2016 BIOBLITZ MISSISSIPPI

During a BioBlitz, students, teachers, citizens and scientists work together to identify as many species as they can. A BioBlitz provides a picture of the amount of biodiversity in a place and sparks interest in ecology and living things. The Mississippi BioBlitz is free and fun for the whole family!

Admission is FREE

FEATURE STATIONS:

- Fun with Fish
- Wild Mammals of Mississippi
- Hunter Education & Wildlife Law Enforcement
- Build a Bird House
- Natchez Trace History
- Private John Allen National Fish Hatchery
